MISSION CENTER

**LEARN THE BIBLE  
FROM GENESIS  
TO REVELATION**

# Who We Are

Zion Christian Mission Center (ZCMC) is a Theological Institution that originated in 1990. It has been established according to the promises of the Bible and provides comprehensive Bible education for free from Genesis to Revelation (**Rv. 22:17**). Just as we freely receive essential resources like water, air, and light from the heavens, we strive to share the love bestowed upon us by God with our neighbors, community, and the entire world through acts of service and volunteerism.

# Vision & Mission

Our mission is to spread the message of God's Word and offer a thorough and in-depth study of the Christian Bible to individuals worldwide, regardless of religion, denomination, or educational background. We are dedicated to help the believers in evaluating their faith based on the teachings of the Bible and to guide people towards spiritual maturity, helping them attain a comprehensive understanding of the truth through the Word of God, ultimately leading to salvation.

# What We Offer

Zion Christian Mission Center (ZCMC) International Theology Class is aimed at equipping individuals with a comprehensive understanding of the Bible. The program is designed to cater to individuals who have a genuine interest in studying the Bible, regardless of their prior knowledge or background in the subject. It is open to all from various cultures and backgrounds, including students, pastors, and church leaders who are seeking personal spiritual growth.

**The program is structured into two stages: The Preliminary Level and the Master's Course.** However, there is **Warm-up Class** prior to the main course. A warm-up class is part of our educational program to prepare your hearts and minds for upcoming lessons.
